vs. keep it held
Current Top-10 changes
0.765 displacement
B IMMEDIATE ORDER EFFECT
Same records, different order
-> Current LLM choice
Choice distance: DS .193 / MiMo .147
Masked input controls: near zero
C MEDIATED WRITEBACK EFFECT
Selected item -> history -> later shelf
-> Later LLM choice (same provider)
Later choice: DS .035 / MiMo .017
Selected identities may now differ between arms
Research path: task evidence -> displayed order -> immediate choice -> writeback -> later shelf and choice.
